From Pennsylvania - (1) Cross Burlington Bristol Bridge to south Rt. 130. (2) Immediately exit off of Rt. 130 onto Salem Road. Salem is the road between the Burlington Mart and Keddie City. (This is tricky, you must enter a slot marked Salem Rd. to make the left off of Rt. 130. If you should miss it go up to the next traffic light and use the jughandle to make a U turn to come back. Then you would make a right turn onto Salem Rd, right after Kiddie City. (3) Go up Salem Rd. counting 6 street on the left side only, turn right at the second right, this is Maple Ave. (4) Make an immediate right onto Noreen Drive. (5) Go to the

end of the street, 1203 Noreen will be the second house on the right before the end of the block. NOTE: Parking is tight in the neighborhood, park in the driveway or please park around the corner.

From New Jersey - North or South - (1) Take Rt. 295 to the Burlington/Mt. Holly exit (2) Take the Burlinton exit. (3) Make a left hand turn (by taking the jughandle) at the second traffic light onto Sunset Rd (right past Farmer's & Mechanics Savings and Loan). Make a right onto Salem Rd. (5) After passing Heal's Market (on the right) on Salem Rd, take the second left turn onto Maple Ave. Make an immediate right onto Noreen Drive See (5) above in the Pennsylvania directions.

"By a lucky stroke of fate, a group of Philly/NJ fans ended up having rooms together at SCORPIO VI. We've decided it was so much fun we want to try for a repeat. Is anyone interested? You will still reserve your rooms by the card, but should call Pat Bishof (215)887-2588 with your list of roommates. Names will be accepted no later than Nov. 30 to ensure they can block enough rooms for us.

LIBERATOR
(To the tune of John Denver's "Calypso")
by
Wendy D. Atkinson

To sail for a dream
Amid the bright stars
To fight and to flee from the Federation
To work in the service of Blake and his crew
To search for resistance against Servalan
To be part of the movement,
Part of rebellion
Part of beginning
To make a stand

Chorus
Fly Liberator
Your next destination
Could well be the answer;
But ORAC won't tell
Fly Liberator
I sing to you spirit
The crew who have served you such a short time but well!

With fair Jenna as pilot
Brave Blake in command,
Avon and ORAC,
Cally, Vila and Gan;
Yes, these are the seven brought here together
These are the seven in search of a dream:
To be free to do what
Each person desires
Living and loving in life's busy stream

Chorus repeats:

HERE'S TO YOU, VILA RESTAL
(To the tune of "Mrs. Robinson")
by
Wendy D. Atkinson

And here's to you Vila Restal
We all love you more than you will know
Wo, wo, wo
God Blesses you, Vila Restal
Heaven holds a place for you as well
We can tell
We can tell

Vila's no ordinary thief, he's the best around
He certainly knows how to help himself
And as for drinking Soma, no one else can match his speed
But it's the Liberator he calls home
And here's to you, Vila Restal
We all love you more than you will know
Wo, wo, wo
God blesses you, Vila Restal
Heaven holds a place for you as well
We can tell
We can tell

Hide jewels in a hiding place where no one ever goes
Put them in your tool box with your picks
It's a little matter of Federation funds
Most of all, you've got to hide them from Avon
and here's to you, Vila Restal
We all love you more than you will know
Wo, wo, wo
God blesses you, Vila Restal
Heaven holds a place for you as well,
We can tell
We can tell

Sitting on the flight deck on a quiet afternoon
Daydreaming of all the girls back home
Operate the teleport
Next time you're nearby
For we miss your loving company
Where have you gone, Vila Restal?
We all turn our lonely eyes to you
Woo, woo, woo
What's that you say, Vila Restal?
You promise you'll be back again someday
Hey, hey, hey
Hey, hey, hey

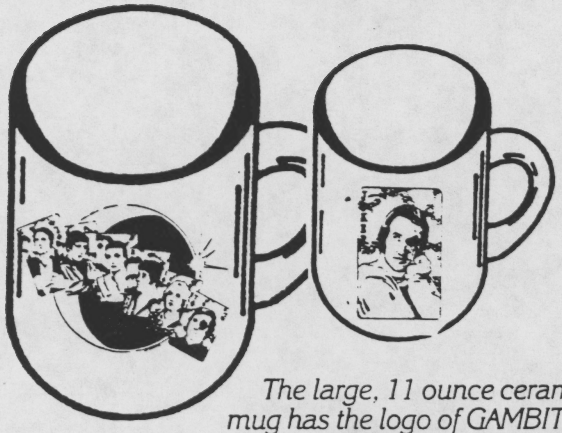
GAMBIT will be "the most fun you can have with your clothes on anywhere in the galaxy," so for the right clothes to wear, order your T-Shirt NOW!

GAMBIT would like you to rest your weary arms and have a drink with Vila.

GAMBIT is offering two unique items of interest for the con-going fans: an oversized GAMBIT mug and an attractive, all-purpose tote bag.



The large, 11 ounce ceramic mug has the logo of GAMBIT con screened on both sides of the mug. The bright white mug with black ink shows the design beautifully. The fan of cards design is displayed on one side of the handle and the joker—Vila—is prominently displayed on the opposite side. (A definite must-have for the definitive Vila fans!) Showing either design when hung from a hook, it is perfect for your mug collection. The mug is also dishwasher and microwave safe.

Mugs are $12.00 each and $3.00 additional for first-class postage or UPS shipping. Price includes a gift box and packing (great idea for gifts). Please state whether you wish it shipped by mail or UPS. (When choosing UPS, you are automatically insured.) Mugs are available NOW.

In addition to the beautiful mug, we have something for use every day—an oversized tote bag. After a long and weary trek through the dealers' room, what more could you use but something to put your zines and other purchases in? Not only is this absolutely invaluable at convention times, but it can be used at any time, at work or play. This large 16"x18" tote comes in a natural ecru color with the GAMBIT logo printed in burgundy ink displayed on one side. The tote has double reinforced handles, so you can be sure this little beauty can carry a good number of zines, textbooks, knitting or anything else a die-hard fan might want.

Tote bags are also $12.00 each and $2.00 additional for first-class shipping and handling. Print date for the tote bags is tentatively scheduled for October 20th. I need two dozen orders to go to print—if there are not enough orders by that time, the print date will be pushed back to November 15th.

Please allow three to four weeks after the print date for delivery on either item.

I would like to share a drink with Vila and his friends. And I would like to save my weary arms with a GAMBIT tote bag.
